20) The State Geologist was replied to state that he cannot spare any men from his Department but that if absolutely necessary he will have no objection to the transfer of two men working under Mr. Subba Rao on a pay of Rs 6 each to the General & Revenue Secretariat.

21) If this is approved these men will have to be brought into line with the scale sanctioned for the Secretariat and will have to be given Rs 7 each as 2nd class peons. Anyway an order sanctioning an additional staff to the menial Establishment of the office is necessary

22) In addition, it would be necessary to give two more men to the Asst Secy Mr. Subba Rao as all the other Assistant Secretaries have been allowed four men. The scale proposed may be slightly revised & the additional staff may consist of one 2nd Class daloyet on on Rs 9, one 1st class peon on Rs 8 & ~~one~~ two 2nd class peons on Rs 7 each. This will cost Rs 31 per mensem to be met out of the saving pointed out above. A revised draft is proposed accordingly

25) Detailing men out of the reserve for duties noted on page 4 of the note has been causing sufficient embarrassment & inconvenience when men have to be deputed as substitutes to cease vacancies and to meet emergent calls. The need for the reserve men is very keenly felt when Special messengers for the conveyance of Cappal when the Dewan & Members of Govt are on tour, and when Cappals have to be sent to Mysore & ooty. Just now 4 men are absent from the General despatching section having gone with Cappals to ooty & to the Camps of the 1st number and much inconvenience is felt in arranging for local delivery.

Under these circumstances I beg to report that it is not possible to spare any part of the available strength and additional establishment is necessary. /

As regards the several grades proposed, this has been done with a view to secure suitable opportunities for promotion to menials who have had no promotion for a long time.

General & Revenue Departments.

Sir,

In reply to your letter No.G.9437, without date,but received yesterday, I have the honour to inform you that the menial staff of this Department did not receive any addition in number because of the addition of a Secretariat branch to this Department,but only owing to the increase in the number of higher officers from time to time for whom orderlies were necessary owing to their status of the officers and the nature of the work done by them. No men can therefore be spared from this office on account of the transfer of the Secretariat work.

2. Further, I have already proposed a reduction in the number on my menial staff with a view to give some increments to some men who have been long without any increment and under the circumstances it is not possible to spare any men from the Department as the reduced number is the minimum that I require for the Department and will probably have to be increased.

3. But if the services of any men are absolutely required, have no objection to the transfer of the two personal orderlies (on a pay of Rs.6/- each per mensem) of Mr. Subba Rao who has been transferred to your Department.

I have the honour to be,

Sir,

Your most obedient servant,
